EDUCATION

Madhav Institute of Technology & Science (MITS), Gwalior   Nov 2022 - May 2024
Master of Computer Application   *CGPA: 8.3/10.00*

TECHNICAL SKILLS

Languages: C, C++, MySql, PHP
Skills: HTML5, Cascading Style Sheets, JavaScript, SQL, DSA, Adobe PhotoShop.
Tools: Windows, VS Code, Git, Github, Adobe PhotoShop.

PROJECTS

Computer Proficiency Practice Test (CPPT) | *HTML, CSS, PHP, MySQL*   Project Link

- Developed an interactive full-stack web application with HTML, CSS, PHP, and MySQL, showcasing seamless integration of front-end and back-end technologies.
- Developed an online platform for students that offered comprehensive computer-based mock tests, enhancing their skills and resulting in an 80% increase in student scores and a 60% reduction in test-taking time.

Travel Bug | *HTML, CSS, JavaScript, MySql, PHP, Adobe Photoshop*   Project Link

- Designed a web application that's not just user-friendly but also dynamic, leveraging the power of JavaScript for an interactive and engaging presentation. The aim is to provide visitors with a seamless and enjoyable experience, making navigation and interaction effortlessly intuitive.
- Explore diverse packages on our website, allowing users to easily book tours based on their budget and location preferences. With a 'Pay Later' option and the efficiency of PHPMailer framework, tour details are swiftly sent to their email, providing convenient access anytime.

EXPERIENCE

Web Development Intern Certificate   *Nov. 2023 - Dec. 2023*
Prodigy InfoTech

- In my web development internship, I demonstrated effective task completion through skillful presentation in an interactive and impactful manner, ensuring high-quality delivery.
- I successfully completed multiple tasks during my internship, including the creation of a user-friendly landing page, a dynamic portfolio, a tic-tac-toe game, a weather monitoring system, and a stopwatch web application. Each project was crafted in a dynamic and interactive manner, showcasing my ability to deliver diverse and impactful solutions

CERTIFICATION

- **NPTEL Certified**: Cloud Computing with Elite+Silver Certificate.   Certificate
- **HackerRank Certified**: SQL Basics   Certificate
- **OpenWeaver Certified**: HTML/CSS   Certificate

ACHIEVEMENTS

- **Prodigy Infotech Verified** : Letter of Recommendation.   Certificate
- **Microsoft Learn Student Ambassador**: 7-days Bootcamp on Back-End Development Certification.   Certificate
- **Madhya Pradesh State Tourism Development Board**: Certificate for Winning 1st Prize in MP Tourism Quiz Competition 2016.   Certificate
- **Tata Group Verified** : Tata Crucible Campus Quiz 2023.   Certificate
- **Shell Verified** : Received positive feedback from Shell on my performance in the Shell Campus Challenge 2023 quiz.   Certificate
